

Safe Tan

Enjoy tan skin without the damaging effects of UV exposure. Safe Tan is a moisturizer with coloring added. It penetrates your skin and hydrates as it gives you a tan. Each application will result in natural-looking tan that fades gradually over the course of a week.

Limited time offer: Save \$8.00 ~~\$26.00~~ only ~~\$18.00~~

Sale ends 8/31/2010 or while supplies last.

Schedule an appointment for a Safe Tan application and we'll show you how to paint on your tan. You will leave 30 minutes later with tan skin. Purchase a bottle to take home so that you can maintain your tan.

Safe Tan application: \$37.00
